**Green Deal**

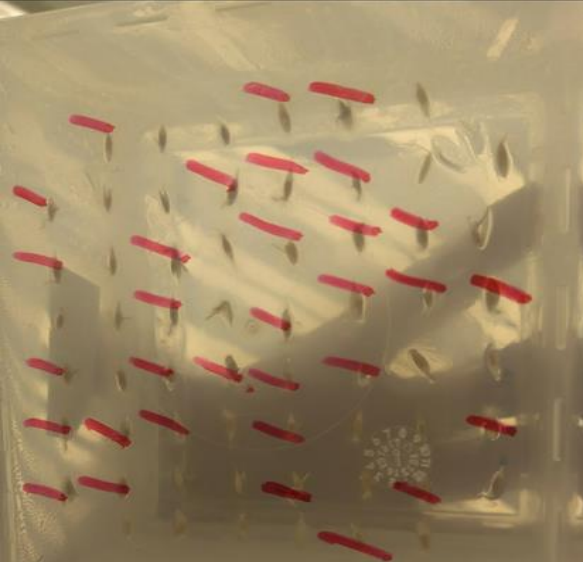

A person is standing on a golf course green, using a long-handled tool, possibly a rake or a specialized maintenance tool, to work on the grass. The background shows a line of trees and a clear sky. The text is overlaid on the image in a white, serif font.

*“Pivotal within TuRF is the chemical-free control of weeds, but also fungi and insect pests.”*

A silhouette of a person crouching on a grassy field, using a surveying instrument (theodolite) mounted on a tripod. The scene is set at dusk or dawn, with a soft glow on the horizon and a dark blue sky. The text "Independent research is a main objective" is overlaid in white serif font.

Independent research is a main objective

A person is silhouetted while operating a riding lawn mower on a golf course. The scene is set during sunset or sunrise, with a bright sun low on the horizon creating a lens flare effect. The background shows a vast, open landscape with distant hills under a clear sky. The entire image is overlaid with a semi-transparent blue filter.

Funding will be one of the greatest challenges

The logo of the Federation of European Golf Greenkeepers Associations (FEGGA) is located on the left side of the image. It consists of a circular emblem with a blue and green globe showing the map of Europe. The acronym 'FEGGA' is written in a semi-circle at the bottom of the emblem. To the right of the emblem, the letters 'FEGGA' are written in large, bold, teal capital letters. Below this, the full name 'FEDERATION OF EUROPEAN GOLF GREENKEEPERS ASSOCIATIONS' is written in smaller, white capital letters on a dark blue rectangular background.

Enthusiastic about setting up zonal institutions
